

Mdewakanton Cultural Center

Prior Lake, MN

Integrity Built

This project involved the creation of a new Cultural Campus for the Shakopee Mdewakanton Sioux Community. The campus consists of a Cultural Center and an Administrative building. Loeffler assisted with overall site planning and conceptual design pricing to allow the SMSC to select a projected outcome that suited their needs and project budget.

Loeffler utilized reputable subcontractors to price two separate buildings with different, monumental tipi structures. In addition to the Tipis the facility will have a tribal meeting area, a museum, and communal areas for tribal members. The SMCS will utilize the facility to store precious artifacts for future generations.

Client - Shakopee Mdewakanton Sioux Community

Architect - The Worth Group

Construction Cost - \$75 Million

Project Size - 92,500 square feet

Loeffler Role - Construction Cost Consultant
